LEOPOLD
Primary School

11 February 2026

Dear families of Leopold Gwenneth Rickus,

RAMADAN

We acknowledge and respect the importance of Ramadan within the Muslim community. Many of our families will be participating during this holy month and accordingly the school would respectfully request that only Year 5 & Year 6 children fast at school during this time. If younger children wish to fast with their families, please encourage them to join during the weekend. Please also note that we understand that it will be some children's wish to pray at school however we are unable to facilitate this as a multifaith school.

The school will be celebrating Eid slightly later the following week. More details will be sent out closer to the time.

Should you wish for your child in **Y5 and Y6** to take part in fasting during Ramadan, please use the link below to register by 22/2/2026. This information will be passed on to the class teacher.

Thank you for your support in this important matter. The school wishes you and your family a peaceful and blessed month of Ramadan.

Kind regards,

Theresa Landreth
Executive Headteacher
